

## Momentum begins with membership.

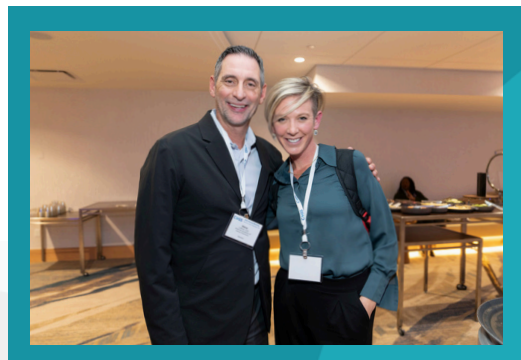

*Connect with peers. Keep informed of current trends and emerging issues affecting medical specialty societies. Help shape the future of healthcare for patients and physicians. Membership in CMSS provides the tools and support you and your organization need to succeed.*

### About CMSS

As a coalition of more than **50 organizations** representing more than **800,000 physicians**, CMSS elevates the unique role of medical specialty societies.

### Our Mission

To advance the expertise and collective voice of specialty societies in support of physicians and the patients they serve.

### Our Vision

Working together, we advance healthcare for patients and physicians.

### Our Strategic Priorities

- Engaging Community & Building Capacity
- Sharing Learning & Innovation
- Addressing Critical Issues Together

### Membership

CMSS connects you to an unparalleled professional community and a range of benefits that empower specialty societies to thrive in a complex healthcare environment.

- Networking and learning opportunities with a vibrant community of specialty society peers
- Educational offerings and resources designed for specialty societies, by specialty societies.
- Tailored exchanges and workshops specifically designed for C-suite, society staff, and volunteer leadership
- Expansive perspectives on emerging issues relevant to specialty societies
