CMSS HEALTHCARE INNOVATION ROUNDTABLE

*Join
Us*

for this exclusive, in-person opportunity to connect directly with members of the CMSS Board of Directors, member society CEOs, CMSS executive staff, and fellow industry leaders to expand dialogue on the most pressing topics facing specialty societies in their missions to advance high-quality patient care.

This event is designed to enable strategic collaboration, knowledge-sharing, and innovation to address some of healthcare's most complex challenges. Participation in the Healthcare Innovation Roundtable allows your organization direct access to our community of specialty society executives and an exclusive opportunity to contribute thought leadership and innovative ideas and approaches to our community conversations.

Lend your perspectives and engage with the CMSS community to shape the future of healthcare together. Don't miss your chance to reserve your company's seats today!

The event
will be held on
