

Program Director Associations Guide for Residency Applicants

Diagnostic Radiology

The *Program Director Associations Guide for Residency Applicants* is a collaborative effort between the Organization of Program Directors Association (OPDA), Association of American Medical Colleges (AAMC), and American Medical Association (AMA). Its purpose is to provide specialty-specific guidance, application information, and resources.

This guide outlines specialty-level guidance and policies for applicants to Diagnostic Radiology programs. **Specialty-specific guidance reflects the specialty’s intent for applicant preparation and the residency application process but may not reflect all individual program requirements.** Applicants should review individual program requirements in Residency Explorer™ tool, FREIDA™, or on program websites.

Specialty responses in this guide were provided through a standardized web form. The corresponding questions from that form are referenced in the footnotes. If a specialty indicated “No specialty guidance,” it means the specialty does not provide guidance on that aspect of the selection process.

Table of Contents

Specialty-Specific Resources.....	2

Specialty Guidance for the 2026–2027 Cycle

Specialty-Specific Resources

None noted.

Away Rotations

Away Rotation Details	Specialty Recommendation
Away rotations in the specialty ¹	Optional, Not Expected Purpose: to gain additional exposure or confirm interest in specialty before applying
Number of away rotations in the specialty	–

Additional Guidance: None noted.

Use of USMLE and/or COMLEX-USA Scores

License Exam Details	Specialty Recommendation
USMLE transcripts required for DO applicants? ²	No specialty guidance

Additional Guidance: Generally, USMLE scores are preferred, but programs have various requirements about this topic.

¹ Even if an applicant’s home institution has a program in your specialty, are completing away rotations in the specialty optional, strongly recommended, or required for applicants?: Optional, Not Expected (to gain additional exposure or confirm interest in specialty before applying); Strongly Recommended (important to being considered, but not always required given certain circumstances); Required (will not be considered without it)

² Does your specialty require that DO applicants submit USMLE scores in addition to COMLEX-USA scores?: Yes, USMLE scores are required for all applicants; No, USMLE scores are not required for DO applicants

Application Process

Application Process Details	Specialty Recommendation
Main Residency Match Season	AAMC Electronic Residency Application Service (ERAS)
Supplemental Offer and Acceptance Program (SOAP)	AAMC Electronic Residency Application Service (ERAS)
When programs start reviewing applications³	Date applications are released to programs by the application service
Application materials accepted after the deadline⁴	No specialty guidance

Additional Guidance: None noted.

Program Signals

Program Signals Details	Specialty Recommendation
Number of signals	6 gold, 9 silver
Signal home institutions?	Yes
Signal programs where they completed away rotations?	Yes

Additional Guidance: The general guidance is to signal home and away rotation sites. Individual programs may give program-specific instructions.

³ Which best describes when programs will start reviewing applications for this application cycle (2026-2027)?: Date applications are released to programs; Other

⁴ Is it acceptable for applicants to submit some application materials after the initial application?: Yes; No

Letters of Recommendation or Evaluation

LOR Details	Specialty Recommendation
Required number of LORs	No specialty guidance
Required letter writers ⁵	Someone within the specialty (e.g., faculty, attending)
Is there a specialty-specific standardized letter? ⁶	Yes
Specialty-specific standardized letter required? ⁷	Recommended

Additional Guidance: Some programs would like to have a standardized letter, others do not have a preference.

Guidance for Applicants from Transitional Year/Prelim Programs: None noted.

Guidance for IMG Applicants: None noted.

Research/Scholarly Activity

Given the variety of types of Diagnostic Radiology programs, there isn't a standard across the programs. Some programs value scholarship more than others.

Supplemental Information

Supplemental Application Materials	Specialty Recommendation
Supplemental application materials required? ⁸	No

Additional Guidance: None noted.

⁵ Who is required to submit letters? (Select all that apply): Someone within the specialty (e.g., faculty, attending); Department chair; Program director; Physician preceptor at an away rotation (e.g., program director, faculty); Other

⁶ Does your specialty have a specialty-specific standardized letter of evaluation or standardized letter of recommendation?: Yes; No

⁷ If yes, is the specialty-specific standardized letter of evaluation recommended or required?: Recommended; Required

⁸ Does the specialty require applicants to submit supplemental application materials (e.g., use of other assessments, supplemental videos or essays)?: Yes; No

Applicant Communications

Pre-Interview Communication Guidance: Generally, pre-interview and letters of interest are not encouraged. Signals are largely the preferred method for showing interest in a program.

Post-Interview Communication Guidance: Somewhat program specific, but generally post-interview communications are not required. Usually, programs will give guidance.

Interviews

Interview Details	Specialty Recommendation
Universal interview offer date(s)	–
Typical interview offer window	October 2026 - November 2026
Interview scheduling platform	–
Interview format ⁹	Virtual

Additional Guidance: The specialty recommends virtual; however, there are a few programs that do in-person or hybrid.

Open Houses / Second Looks

Open Houses: No specialty-specific guidance. Variable by program.

Second Looks: No specialty-specific guidance. Variable by program.

NRMP Voluntary Rank Order List (ROL) Lock Pilot Initiative: No

Match Platform

Diagnostic Radiology participates in the National Resident Matching Program (NRMP).

Additional Guidance: None noted.

⁹ Which interview format does the specialty recommend that programs use?: Virtual; In-person; Hybrid (an applicant chooses either an in-person or virtual interview format); Hybrid (an applicant completes both virtual and in-person interviews)
